“COULD YOU NOT TARRY ONE HOUR?”

“OUR CHURCH”

Getting distracted is easier now than ever before! It is time to focus on the future, not the past! We have in us the power and authority to change our families, community, and country. It is not a time to lose faith, it is a time to let your faith arise. Now faith is the assurance of things hoped for, the conviction of things not seen. (Heb 11:1-2 NASU) We can walk forward together trusting the hand of God is not only with us, but He is also leading us!

- ⇒ The Lord is interested in us growing, not shrinking back.
- ⇒ The Lord is interested in us conquering, not being defeated.
- ⇒ The Lord is interested in us holding on to our joy, not falling into a place of sadness.

Blessings,

Pastor Bill

Prayer Challenges and Unreached People Groups

Recently we’ve been hearing messages on faith. In 2020 missionaries faith was tested in many ways. Some of the missionaries we support have had to delay their itineration departures because of Covid-19, many other missionaries were unable to come home.

Please join BWAG in prayer for the “Kim Mun” in Vietnam. Let’s pray for a great number of Kim Mun to come to know the Lord as their personal savior!

LET US HAVE HOPE AND WALK IN FAITH THAT IN THE COMING YEAR OF 2021 ALL OF THEIR NEEDS WILL BE ABUNDANTLY SUPPLIED, in Jesus’ name. (And my God will meet all your needs according to His glorious riches in Christ Jesus. (Phil. 4:19 NIV)
